The vendor shall note any and all relationships that might be a conflict of interest and include such information with the proposal (Conflict of Interest Questionnaire). By signing this proposal, a vendor affirms that, to the best of his/her knowledge, the proposal has been arrived at independently, and is submitted without collusion with anyone to obtain information or gain any favoritism that would in any way limit competition or give them an unfair advantage over other vendors in the award of this proposal.
38. **TERMINATION OF CONTRACT:** It is understood that the DCBOH retains the option to terminate this Agreement for any reason at the end of each contract year without pecuniary risk or penalty or at any point during the contract term with evidence of just cause. The termination will become effective and this Agreement shall terminate sixty (60) days prior to the end of the contract year or for just cause. The termination will become effective and this Agreement shall terminate sixty (60) days following written notification of intent.

39. **CONFIDENTIAL OR TRADE SECRETS:** If any of the information is confidential or a trade secret belonging to the vendor and, if released would give advantage to a competitor or vendor, that information should be filed with the proposal in a separate envelope marked “CONFIDENTIAL – DO NOT DUPLICATE WITHOUT PERMISSION”.

Acceptance of such materials does not constitute an admission by DCBOH that the materials are confidential or a trade secret. **CRIMINAL RECORDS HISTORY:** The vendor shall ensure that all entities with which it contracts shall supply information regarding criminal records history of any employee, agent or consultant who shall be present on DCBOH’s property at any time. Under no circumstances shall any entity be allowed to use employees, agents or consultants present on site who have been convicted of a felony or a crime involving sexual misconduct.

40. **COMPETITIVE PROCUREMENT:** This RFQ is part of a competitive procurement process that helps to serve the DCBOH’s best interest. It also provides vendors with a fair opportunity for their products to be considered. The process of competitive negotiation being used in this case shall not be confused with the different process of competitive sealed proposal. The latter process is usually used where the goods or services being procured can be described precisely and the price is generally the determinative factor, although it may be, and the DCBOH has the flexibility it needs to negotiate with vendors to arrive at a mutually agreeable relationship.
41. **LENGTH OF CONTRACT:** All responses to the RFQ shall be valid for the date of Board approval with the possibility of four (4) additional annual renewals between the DCBOH and the Vendor.
42. **ACCEPTANCE:** This will be a single award. DCBOH reserves the right to accept or reject any or all the proposals submitted, waive minor technicalities, and accept the offer most advantageous to the DCBOH. Contract, to an awarded vendor, will be based on the determined “best value for the DCBOH”.
43. **OTHER REQUIREMENTS:** The warranty, general, special terms and conditions, insurance, submittal documents and specifications as stated herein shall apply and shall not be nullified, voided or altered in any way by the inclusion of the Offeror’s pre-printed forms with this proposal or any other document submitted during delivery of product, invoicing, acknowledgment letters, emails, faxes, routing communications between the contracted parties, of subcontract employees, or third parties unless specifically acknowledged and agreed to in writing by DCBOH.
44. **PERFORMANCE:** The responsibility for compliance with this solicitation and the subsequent contract shall be with the submitting Offeror. Awarded Offerors are expected to provide prompt service that is due under this contract including warranties. Past performance of the Offeror may be a factor in awarding future contracts.
45. Any problems or discrepancies that are not covered by the above requirements should be directed to the DCBOH Internal Services, Purchasing for a determination or clarification prior to any action taken on said problem or discrepancy. If the Offeror fails to make such a request, no excuse will thereafter be entertained for failure to carry out the work in a satisfactory manner. All Offerors shall provide detailed explanations of any variances or exceptions the Offeror has with any requirement or terms specified in this RFQ and thoroughly explains any alternate service offered. DCBOH is not responsible for any costs incurred by the vendor for the preparation or distribution of this proposal. Respondents or other authorized representatives are expected to fully inform themselves as to all conditions, requirements, and specifications before submitting offers. Failure to do so will be at the Offeror’s own risk. Proprietary information if any, submitted to DCBOH in response to this proposal

should be identified as such. Any information identified as proprietary will be handled in accordance with the provisions of the Georgia Open Records Public Information Act as it applies to such information.

46. **DCBOH LICENSING PROGRAM:** The DCBOH logo cannot be used without the expressed, written permission of the DCBOH
47. **PURCHASE ORDER:** Proposer must accept the ordering of services via DCBOH purchase order. This portion of the RFQ pertains to the offeror selected for the final contract award ("contractor").
48. **INCREASES:** If deemed appropriate by the DCBOH, extension period percentages of the increase shall be negotiated with the contractor. If an agreement cannot be reached, the DCBOH reserves the right to reject proposal.
49. **ADDITIONAL SERVICES:** The DCBOH reserves the right to request the contractor to provide additional services not outlined herein. In the event this occurs, compensation will be negotiated at that time.
50. **COST:** Unless otherwise specified herein, the contractor shall be responsible for furnishing all material, labor, facilities, equipment, and supplies necessary to perform the services required herein.
51. **INDEPENDENT CONTRACTOR:** The contractor represents itself to be an independent contractor offering such services to the public and shall not represent itself or its employees to be employed by the DCBOH. The sole relationship between the DCBOH and the contractor is as established by this contract. The contractor acknowledges responsibility for filing all returns and paying all taxes, FICA, employee fringe benefits, workers compensation, employee insurance, minimum wage requirements, overtime, etc., associated with the performance of the contractual requirements herein, and agrees to indemnify, save, and hold the DCBOH, its officers, agents, and employees, harmless from and against, any and all losses, costs, attorney fees, and damage of any kind related to such matters. Upon request, the contractor will provide to the DCBOH evidence of compliance with these requirements.
52. **COMMUNICATION ON PROJECTS:** The contractor shall fully coordinate its activities in the performance of the contract with those of the DCBOH. As the work of the contractor progresses, advice and information on matters covered by the contract shall be made available by the contractor to the DCBOH throughout the contract period.
53. **OWNERSHIP OF MATERIALS:** The contractor shall agree and understand that all reports and material developed or acquired by the contractor as a direct requirement specified in the contract shall become the property of the DCBOH. No reports or material prepared, as required by the contract, shall be released to the public without the prior written consent of the DCBOH.
54. **INDEMNIFICATION:** The contractor shall understand and agree that DCBOH cannot save and hold harmless and/or indemnify the contractor or employees against any liability incurred or arising as a result of any activity of the contractor or any activity of the contractor's employees related to the contractor's performance under the contract. Therefore, the contractor must acquire and maintain adequate liability insurance in the form(s) and amount(s) sufficient to protect DCBOH, its agencies, its employees, its clients, and the general public against any such loss, damage and/or expense related

to his/her performance under the contract. The insurance shall include an endorsement that adds the DCBOH as an additional insured.

The contractor shall not be responsible for any injury or damage occurring as a result of any negligent act or omission committed by the DCBOH, including its Board and employees.

55. **CONFIDENTIAL INFORMATION:** Inasmuch as under the contract the contractor may acquire confidential information, the contractor agrees to use such information only for the sole benefit of the DCBOH and to keep confidential such information, as well as all information developed in the conduct of the work contracted for including information disclosed by the DCBOH to contractor or any other person engaged in the contracted work. The contractor further agrees that all data, technical information, and reports developed by contractor or any person engaged in the contracted work are the property of the DCBOH and shall not be disclosed to others at any time or used for any other purpose other than for the sole benefit of the DCBOH and that upon termination of the contract, or at any other time the DCBOH requests, the contractor or any other person involved in the contracted work will transmit to the DCBOH any written, printed, or other materials embodying such confidential information, including all copies and excerpts thereof, given to, prepared by or for the contractor, or any other person involved in the contracted work. It is further understood and agreed that this obligation to keep such information confidential shall continue at all times beyond the completion of the contracted work. W-2 tax information would be the most sensitive file the DCBOH would send to the contractor (once annually).
56. The contractor shall agree and understand that all exhibits, materials, digital files, artwork, design features and concepts developed as a result of the contract shall become the property of the DCBOH, with all rights and interests for present and future publication, display, sell, copyright or other use as deemed appropriate by the DCBOH.
57. **COMPLY WITH APPLICABLE LAW:** The contractor must comply with all existing or future applicable laws, including but not limited to, those pertaining to soy-based ink and recycled paper.
58. **NO EXCLUSIVE ARRANGEMENT:** The contractor agrees and understands that the contract shall not be construed as an exclusive arrangement and further agrees that the DCBOH may secure identical and/or similar services from other sources at any time in conjunction with or in replacement of the contractor's service.
59. **VIOLATIONS:** If the contractor is found to be in violation of this requirement or the applicable state, federal and local laws and regulations, and if the DCBOH has reasonable cause to believe that the contractor has knowingly employed individuals who are not eligible to work in the United States, the DCBOH shall have the right to cancel the contract Immediately without penalty or recourse and suspend or debar the contractor from doing business with the DCBOH. The DCBOH may also withhold up to twenty-five percent of the total amount due to the contractor.
60. **AUDIT:** The contractor shall agree to fully cooperate with any audit or investigation from federal, state or local law enforcement agencies.
61. **CONTRACT MODIFICATIONS:** With the exception of specifically designated persons in the Office of Purchasing selected for this purpose by the DCBOH, employees of the DCBOH are not authorized to modify, interpret or clarify such terms, conditions or specifications, and proposers should not rely

on the presentments of employees or agents other than those with express authority to make such presentments.

62. If any part of the work covered by this request for proposal is to be subcontracted, prior written approval of subcontractor(s) is required from the DCBOH. The offeror shall identify the subcontractor(s) and the anticipated contractual arrangements to be made with the subcontractor(s).
63. There is no express or implied obligation for the DCBOH to reimburse and/or compensate the offeror for any expenses incurred in preparing or submitting a proposal in response to the request for proposal.
64. Proposals cannot be withdrawn or corrected after being submitted. (Exceptions: reductions and changes by the successful offeror that will be to the advantage of the DCBOH.)
65. Services offered in the response to the request for proposal must comply with all federal, state and local laws. The DCBOH is exempt from federal and state sales tax.
