

DeKalb County Board of Health

Chief Clinical Officer/ Division Director of Clinical Services
Position# 10002
(Salary is offered based on Education, Experience and/or Budget)

POSTED: August 31, 2022

DEADLINE TO APPLY: December 2, 2022

LOCATION: E.L. Richardson Health Center – Division of Clinical Services

ORGANIZATION SUMMARY: DeKalb County Board of Health works to protect, promote and improve the health of those who live, work and play in DeKalb County. We are committed to our mission through service quality, diversity, innovation, a professional workforce and leadership. Our vision is to be the leader in creating a healthier DeKalb through information, education, empowerment, partnerships, policies and planning, quality and excellence. We invite you to come and be a part of our team. For more information about our agency please visit <https://www.dekalbhealth.net>.

WHAT WE OFFER: A generous benefits package, which includes employee retirement plan; 12 paid holidays annually; vacation and sick leave; health, dental, vision, legal, disability, accidental death and dismemberment, health and child-care spending account.

SALARY INFORMATION: \$120,000 Annual

DUTIES: Under broad supervision is responsible for administrative and clinical supervision of the Division of Clinical Services (DCS) including oversight of clinical operations of all health centers, nurse delivered public health services, infectious disease clinical services, and laboratory. Provides clinical consultation as the Chief Clinical Officer for the Dekalb Board of Health to all public health nursing staff and individuals in the community. Participates in administrative and managerial decision making that involves the direction and policy operations for the entire division in consultation with the District Health Director. Interacts, consults, and collaborates with the District Health Director and other members of the Executive team regarding day-to-day decisions, strategic planning and emerging tasks. Leads in the formulation, review and direction of policies and quality assurance components of all clinical operations. Participates in the development and training of clinical staff. Provides clinical supervision to specialized programs in public health, leads telehealth initiative, and will guide use of mobile medical units in the community. Manages assigned staff, including establishing workloads, prioritizing work assignments, establishing performance expectations and evaluating employee performance. Oversees the planning, development, scheduling, implementation and evaluation of clinical programs and activities and their effectiveness. Participates in the development, administration, and oversight of budgets. Represents the District Health Director for clinical, programmatic, and administrative matters as required, in the event he/she is unavailable. Serves as a liaison between the Board of Health and DPH by attending state, regional, and local meetings and participating on various committees and coalitions. Provides oversight of numerous state and federally funded programs. Assists with CLIA certification and operations of laboratory services. Participates in Emergency Preparedness, Planning and Response as required by the agency. Other duties as assigned.

MINIMUM QUALIFICATIONS: Doctorate or Master's degree in nursing, public health or related field from an accredited college or univ. AND Ten years of professional nursing management/supervisory experience AND current Georgia Registered Professional Nurse license

PREFERRED QUALIFICATIONS: Preference will be given to applicants who are certified nurse practitioners with experience in public health nursing and women's health. Preference will be given to applicants with a doctorate in nursing practice (DNP). In addition, preference will be given to applicants who possess professional experience with electronic medical record systems, quality improvement training and implementation, and knowledge/use of telehealth/telemedicine. Five or more years of administrative and management experience (i.e. staff supervision, budget management and performance management) preferred.

NOTE: Employment with the DeKalb County Board of Health is not complete or official until applicants meet all pre-employment requirements. If this position requires a college degree and you are selected for an interview, you will be required to submit official transcripts to the Human Resources Department prior to any official offer of employment.
